This conference inscribes itself into investigative fields of social, humanistic and natural sciences. It merges three related frameworks, the semiotic communicology, the phenomenology of praxis, and the ecology as a theory of environmental settings of plants, animals, and humans, with the focus on:

Communicology as a Science of Human Discourse	Semiotic Self in Modelling Systems of Reality
Diversities of Semiospheres in Biocene & Anthropocene	Semiotic Manifestation of Prejudices & Stereotypes
Semiotic Adaptability & Resilience of Living Systems	Indoctrination & Propaganda Through Media Literacy
Linguistic Phenomenology in Education & Communication	Semiotics as an Art of Lie: Fake & Counterfactuality
Ethics & Morality in Public & Private Lifeworld Domains	Epistemic Divides in Phenomenal Worlds Beyond Words
Multiple Identity in Interlingual & Intercultural Contacts	Semio-crisis, Semioethics, Technoethics & Netiquette

University scholars, independent researchers, and students, interested to take an active part in the conference will be asked to send, to the address: <ecosemiotic.festival@gmail.com>, their **abstracts not exceeding 200 words and a bionote with maximum 150 words**, prepared on a special form available through correspondence. Organized working groups consisting of at least six members may send one unified abstract with bionotes. Abstracts will be peer-reviewed and accepted as **ordinary papers (30 min.)**, or **master lectures (45 min.)**. In view of logistic requirements, the conference fee has been calculated for financing refreshments & meals. Individual participants will pay **early bird fee 200 EUR**, i.e., 860 PLN and **regular fee 250 EUR**, i.e., 1100 PLN. Working group members, accompanying persons, and participants without papers, will pay **early bird fee 180 EUR**, i.e., 780 PLN, and **regular fee 200 EUR**, i.e., 860 PLN.

The fee with the note – **“Eco-Communicology, participant’s name (or the working group), private or institutional address and the amount”** – should be transferred to the account of The Polish Academy of Sciences Botanical Garden: Center for Biological Diversity Conservation in Powsin.
