

## Publication of *deSignis*, issue 37: '*Mediatizaciones*'

Dear colleagues from the IASS-AIS,

*DeSignis*, a journal of the Latin American Federation of Semiotics (FELS), announces with great pleasure the online publication of its 37<sup>th</sup> issue covering the period July-December 2022. The issue studies the process of mediatization for various perspectives. It is entitled '**Mediatizaciones**' and its editors are Andreas Hepp and Guillermo Olivera, with the collaboration of Susan Benz, Lucrecia Escudero Chauvel and Heiko Kirschner. Its content is available in open access on our website: <https://www.designisfels.net/publicacion/i37-mediatizacion/>

We appreciate and thank you in advance for your support in promoting the issue.

With kind regards,

**Sebastián Moreno Barreneche**
